What is ISTEP+?

The Indiana Statewide Testing for Educational Progress-Plus, better known as the ISTEP+, measures understanding of the material taught in the previous grade based on Indiana's academic standards. Third- through eighth-graders and 10th-graders took the test in September. It covered English and math, plus science in grades 5 and 7. Under the federal No Child Left Behind Act and Public Law 221, a state accountability law, schools face penalties if their students don't do well on the test.

ISTEP+ scores
