

Parkview Field parking

In an effort to ease traffic flow, city officials are urging Parkview Field visitors to use downtown's variety of parking options beyond Harrison Square or Civic Center parking garages. The above map lists most of those available parking options. Another map can be viewed at www.parkitfortwayne.com. Not listed on this map are Allen County Public Library's lots that will be available for hourly parking, and some private parking lots south of Parkview Field. Also, downtown parking meters are free after 5 p.m. weekdays.
